STAT

The Honorable William H. Webster  
Director, Central Intelligence Agency  
Washington DC 20505

Dear Judge Webster

For over seven years I have been privileged to command one of our country's finest professional organizations, the Air Force Office of Special Investigations.

During that time, I have been deeply grateful for the outstanding cooperation and support we receive from our colleagues in the CIA. That assistance has contributed to our success, and we truly value our friendships with your people.

Brigadier General (Select) Francis R. Dillon will assume command of AFOSI on 26 February. He also has a sincere appreciation for the excellent relationships we enjoy with your organization. I am confident that under his stewardship our people will continue to work diligently together to accomplish our critical missions.

Our association has been an honor and a privilege for me. I wish you happiness, good health and continued success.

My very best regards

*R. S. Beyea*
